

Beneficiaries

Eligibility

Each year, the President selects a list of charitable organizations that are in need of funds or have problems raising funds on their own as beneficiaries of President's Challenge.

Organizations who wish to be considered for nomination as a President's Challenge beneficiary may fill out the nomination form which can be found at the President's Challenge website at www.pc.org.sg. The minimum criterion for eligibility is that organizations must have Institute of Public Character (or IPC) status. Other factors that are also taken into consideration include the nature of the applicant's programmes as well as its reserves position.

End.
